Welcome to the Leeds Mobile Discord

We are a community dedicated to creating learning opportunities and a welcoming space for everyone building digital products in and around Leeds. Whether you work in development, design, product management, testing, or you're simply exploring tech as a student or hobbyist - regardless of your experience level, we are glad you are here!

To ensure this remains a safe and positive environment for everyone, we have a few ground rules.

Our Core Rules (The TL;DR)

- 1. Be excellent to each other.**

Participate in a supportive way. Exercise consideration and respect in your speech and actions, and always attempt collaboration before conflict.

- 2. Zero tolerance for harassment.**

We are dedicated to providing a harassment-free experience for everyone, regardless of gender, identity, sexual orientation, disability, physical appearance, race, ethnicity, or religion. Demeaning, discriminatory, or harassing behaviour will not be tolerated.
