WELCOME!

leeds.mobile

We are a community for sharing knowledge and experiences of building, designing, testing and delivering mobile applications.

Everyone is welcome, regardless of their background or skill set.

Digital Muslims North is a grassroots network connecting and supporting Muslim tech professionals, digital creatives, and enthusiasts across Northern England.

DIGITAL MUSLIMS NORTH

We build meaningful bonds beyond traditional corporate silos where members often feel unseen. By offering a dedicated space to connect, inspire one another, and belong, we provide a genuine home for northern tech talent.
